**JASPAR JANSEN-JEROEN DELLESEN: 'SPACE IS LIKE MUSIC'**

In the scope of the course of Applied Workshop in Interior Architecture and Environmental Design II, Jasper Jansen and Jeroen Dellensen, two interior architects from Netherlands, have given a seminar entitled 'Space is like Music' about their design approach, on the 5<sup>th</sup> of April 2010. Following the seminar, the students worked on a residential interior through the inspiration from the music piece they selected in a workshop leaded by Jansen and Dellensen for three days. The design works of the workshop is being exhibited in the main canteen lobby of the university till the 16<sup>th</sup> of April.
