INTERIOR ARCHITECTURE and ENVIRONMENTAL DESIGN DEPARTMENT SEMINAR

Burcu Aydınalp Egel

Stage Lighting and Scene Design

Burcu Aydınalp Egel, lighting designer, gave a seminar to 4th year Interior Architecture and Environmental Design students on 4 April 2012 within the course IAED 452 Applied Workshop in Interior Architecture and Environmental Design. Egel gave brief information about the techniques used in stage lighting and scene design as well as the brief history of stage in her seminar entitled “Stage Lighting and Scene Design”. In addition to giving information about scene lighting and stage design, she conveyed her professional journey about specializing on lighting design after her bachelor degree in interior architecture and environmental design.
