INTERIOR ARCHITECTURE and ENVIRONMENTAL DESIGN DEPARTMENT SEMINAR

İpek KAŞTAŞ

“Research Assistant & Landscape Architect”

İpek Kaştaş, one of the research assistants of the Department of Interior Architecture and Environmental Design in IUE and a landscape architect, was the guest of IAED452 Applied Workshop for Interior Architecture course on 18th April. In the seminar, Kaştaş talked about her academic studies and shared the phases she went through during her academic studies with the fourth year students. It is possible to classify the main headings she mentioned as graduate application process, education abroad, examples from her graduate projects and classes, CPT(Curriculum Practical Training), OPT(Optional Practical Training), and H1B processes, and other processes of researching in her academic life. She guided the academic future of the fourth year students in the seminar accompanied by questions and answers.
