## **DEPARTMENT OF INTERIOR ARCHITECTURE AND ENVIRONMENTAL DESIGN, “KALE SERAMİK FACTORY” TECHNICAL TRIP**

A group of 40 students including second, third and fourth year students of Department of Interior Architecture and Environmental Design went to technical trip to Kale Seramik Factory in Çanakkale. Instructor Zeynep Edes and Research Assistants İpek Kaştaş and Hande Atmaca also attended to the trip.

Students visited Kalesinterflex Factory, Vitriyef and Acrylic Factory, Seramics Factory and Trim-Dcor Factories. Thanks to detailed preperations and planning done by Mert Babür, Kale Seramik Customer Relations Representative, Ümit Uysal from Kale Seramik Work Safety Department, Hakan Pazarbaşı Kale Seramik Calibration Specialist and Anıl Fuat Ülkem from Vanda Organization, the students had the chance of witnessing various production processes and getting detailed information about the details of products. Following the completion of factory trip, group visited Tory Ancient Site.

Kale Seramik has been establised in 1957 and is known with their contributions to education of young students. İzmir University of Economics and Kale Seramik Factory keeps planning new colloborations for future.
